2. AGGRIEVED PERSON

An "aggrieved person" is the person or persons or the Association making the complaint.

B. PURPOSE

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. PROCEDURE

1. TIME LIMIT

The failure of any individual or groups of individuals to initiate this grievance procedure within thirty (30) calendar days of the alleged occurrence will automatically cancel that alleged grievance and any further appeal for the same. Grievances which occur during the summer months and which cannot be filed within the above time line will have an additional fourteen (14) calendar days after the first day of the school calendar in which the grievance may be filed. Failure to expedite any grievance within the prescribed time limits will permit the grievance to be advanced to the next step.

Alleged occurrences that might exist less than sixteen (16) days prior to the first contract day of the school term will have a maximum of thirty (30) days in which to be filed.

2. YEAR-END GRIEVANCES

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of 30 days thereafter.

3. LEVEL ONE-PRINCIPAL OR IMMEDIATE SUPERVISOR (INFORMAL)

An employee with a grievance shall first discuss it with his or her principal or immediate supervisor, either directly or through the Association's designated representative, with the objective of resolving the matter informally.

4. LEVEL TWO-PRINCIPAL (FORMAL)

If, as result of the informal discussion with the principal or immediate supervisor at level one a grievance still exists, the aggrieved person may invoke the formal grievance procedure through the Association on the form set forth in Schedule 1. The grievance form shall be available from the Association representative in each building and said form shall be signed by the grievant and/or a representative of the Association. A copy of the grievance form shall be delivered to the appropriate principal or immediate supervisor.

The appropriate principal or immediate supervisor shall indicate his or her disposition of the grievance in writing within five (5) school days of the presentation of the formal grievance and shall furnish a copy thereof to the aggrieved person and the Association.

If the aggrieved person or the Association is not satisfied with the disposition of the grievance, or if no disposition has been made within the five (5) school day period, the grievance shall be transmitted to Level Three.

5. LEVEL THREE-SUPERINTENDENT

The superintendent or his or her designee shall meet with the aggrieved person and the Association within five (5) school days of receipt of the grievance. Within ten (10) school days of receipt of the grievance the superintendent or his or her designee shall indicate his or her disposition of the grievance in writing and shall furnish a copy thereof to the aggrieved person and the Association.

If the aggrieved person and the Association are not satisfied with the disposition of the grievance by the superintendent or his or her designee, or if no disposition has been made within ten (10) school days of receipt of said grievance, the aggrieved person or the Association may transmit the grievance to the Board by filing a written copy thereof with the secretary or other designee of the Board. (The aggrieved person and the Association or the Board may bypass Level Four and proceed directly to Level Five.)

6. LEVEL FOUR-BOARD OF EDUCATION

The Board, no later than its next regular meeting or ten (10) school days, whichever is earlier, may meet with the aggrieved person and the Association on the grievance. Disposition of the grievance shall be made in writing by the Board no later than seven (7) school days after said meeting. A copy of such disposition shall be furnished to the Association.

7. LEVEL FIVE-ARBITRATION

- (a) If the aggrieved person or the Association is not satisfied with the disposition of the grievance by the Superintendent or the Board, or if no disposition has been made within the time limits, the aggrieved person and the Association shall meet within five (5) school days to discuss the merits of submitting the grievance to arbitration.
- (b) If the Grievant and the Association determine that the grievance is meritorious, they may submit the grievance to arbitration within five (5) school days.

- (c) Within ten (10) school days after written notice to the Board of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a written request for a list of arbitrators shall be made to the Public Employment Relations Board (PERB Board) by either party. The list shall consist of seven arbitrators, and the parties shall determine by lot which party shall have the right to remove the first name from the list. The party having the right to remove the first name shall do so within two (2) school days, and the other party shall have one (1) additional school day to remove one of the six remaining names. The parties shall alternate striking names of arbitrators until one name remains. The person whose name remains shall be the arbitrator.
- (d) The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his or her decision not later than fifteen (15) school days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him or her. The arbitrator's decision shall be in writing and shall set forth his or her findings of fact, reasoning, and conclusions on the issues submitted. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.

(A copy of the *Benefits At A Glance* for this plan is attached)

In the event that the Board is unable to purchase a program with these benefits, the parties will negotiate changes to fit a program which the Board is able to purchase.

If more than one plan is made available to employees, those choosing a plan at an amount less than the cost of the specified plan may apply the difference for family coverage or toward an annuity; those choosing a plan at an amount more than the cost of the specified plan will be responsible to pay the additional cost.

(A copy of the *Benefits At A Glance* for such plan is attached)

Each employee will decide yearly if they want to enroll in this plan. Each employee who participates will designate an amount to be set aside for this benefit. The District will administer this benefit for district employees.

B. COVERAGE

MONITORING AND TICKET TAKING PROCESS

1. A listing of the dates and events for monitoring and ticket taking will be included with the August mailing to each staff member.
2. During the first Association meeting during Workshop days, the staff will sign up for one event. This will be done starting with the teacher with the most seniority choosing first. Staff members will choose events in their order of seniority.
3. A meeting with the support staff will be set up to offer opportunities for this group to volunteer to take tickets. The Association President and the Superintendent will conduct this meeting jointly. This will be done ASAP possibly during workshop days. Sign up can occur at this meeting or during the two week volunteer period for sign up.
4. The sign up sheets will be posted for two weeks in the main office to give additional time for volunteering. Voluntary sign ups done by teachers with low seniority will NOT eliminate them from having to fulfill another duty if there are remaining slots.
5. The Association President or Vice President will then determine how many slots still need to be filled. The Association representative will count up the seniority list the same number of slots that remain to be filled. The staff member at the top of this list chooses first. The Association representative must contact each person in order to complete the sign up.
6. A master list will be given to each administrator and to all employees of the district. In addition the list will be posted in all lounges. Employees will be given monitoring rules before their duty.
7. Staff members and support staff members who signed up must notify Mr. McDermott if they make a change from the original sign up. They must notify him as to who is their replacement and tell him what new event they will be working at.
8. Staff members and support staff members will receive written notification two days in advance of their assigned work day.
